Not easy to sweat

Coating: Yellow, wet

Take steroid 3 times daily

Dry mouth, thirsty, prefer icy drink

Hot feet, especially at night

Pulse: Robust

Case: Brain Cancer

- Prescription :

Shi Gao 180g	Zhi Mu 15g	Xuan Fu Hua 9g
Dai Zhe Shi 15g	Ban Sha (Raw) 12g	
Gui Zhi 9g	Bai Zhu 9g	Fu Ling 15g
Zhu Ling 9g	Ze Xie 15g	Chuan Xiong 9g
Mu Dan Pi 9g	Hong Hua 6g	
Sheng Jiang 3 slices		

Case: Brain Cancer

- Prescription Analysis :

Shi Gao , Zhi Mu - Bai Hu Tang

Xuan Fu Hua , Dai Zhe Shi - Xuan Fu Dai Zhe Tang

Gui Zhi , Bai Zhu , Fu Ling , Zhu Ling , Ze Xie - Wu Ling San

Chuan Xiong , Mu Dan Pi , Hong Hua - Blood Circulation

Ban Sha (Raw) - Removing Phlegm

Sheng Jiang - Warming stomach

Case: Brain Cancer

- Analysis :

- Appetite too good is caused by steroid. That is why using Bai Hu Tang .
- Patient is not easy to sweat but dampness inside. Using Wu Ling San to repel dampness through urine
- Yellow coating means heat inside which causing thirst
- Blood stasis in brain, using Chuan Xiong, Mu Dan Pi. Hong Hua.
- Heavy dosage of Shi Gao is not only clear the heat in Yang Brightness , but also working on tumor in Lung
- Raw Ban Xia can repel the water on the top. So using Wu Ling San plus Raw Ban Xia to reduce the water retention in the brain.

Formula in prescription

- Bai Hu Tang(《 ShangHan Za bing Lun 》) :
 - Zhi Mu 18g, Shi Gao 45g, Zhi Gan Cao 6g, Jing Mi 18g
 - Action : Clear the heat and replenish the fluid, reduce thirst and irritation.
 - Indication : Great heat in Yang Ming, Dry mouth and thirsty, red face, aversion to heat, sweating a lot, Big pulse or rapid and slippery pulse

Formula in prescription

- Xuan Fu Dai Zhe Tang (《 ShangHan Za bing Lun 》) :
 - Xuan Fu Hua 9g, Sheng Jiang 15, Ginseng 6g, Dai Zhe Shi 3g, Zhi Gan Cao 9g, Ban Xia 12g, Da Zao 12 pieces
 - Action : Reducing phlegm, lower the upward Qi and soothing the stomach
 - Indication : Stomach qi is weak, pain or uncomfortable when pressed, with turbid phlegm blocking inside; hiccup often .

Formula in prescription

- Wu Ling San (《 ShangHan Za bing Lun 》) :
 - Zhu Ling 9g, Ze Xie 15g, Bai Zhu 9g, Fu Ling 9g, Qui Zhi 6g
 - Action : Promoting urine and reduce dampness, enhance and tonify Yang Qi
 - Indication : 1, Exterior pattern with dampness inside. Headache, fever, thirst but vomit after drinking, poor urination, white coating in tongue, pulse float. 2, Edema, diarrhea, vomiting. 3, pulse movement below navel, foaming spitting, vertigo, or shortness of breath

– Wen Shi Ben Tun Tang

Shen Si Wei – Bu Gu Zhi, Yin Yang Huo, Tu Si Zi, Gou Ji Zi

Shu He Xiang Wan - Warms and Aromatically Opens the Orifices, moves Qi, transforms turbidity, clears Phlegm

Formula in prescription

- Po Ge Jiu Xin Tang :

Fu Zi 30 ~ 200g , Gan Jiang 60g

Gao Li Shen 10 ~ 30g (Cooked separately)

San Yu Rou 60 ~ 120g

Sheng Long Gu powder 30g Mu Li powder 30g

Ci Shi powder 30g

She Xiang 0.5g (take drenched)

Formula in prescription

- Lai Fu Tang (Zhang Xichun 《 Yi Xue Zhong Zhong Can Xi Lu 》) :

San Yu Rou 60g Sheng Long Gu powder 30g
Sheng Mu Li powder 30g Sheng Bai Shao 18g
Ye Tai Shen 12g 、 Zhi Gan Cao 6g

- “When original qi collapse, it’s all from liver. So who is exhausted and weak, will have abnormal movement of liver wind. It’s the sign for original qi collapsing. Liver and gall bladder are pair of exterior-interior. Gall bladder is Lesser Yang, symptoms are alternating chill and fever. Liver is reverting Yin, when it extremely deficient also shows alternating chill and fever, which will cause sweating a lot. San Yu Rou can constraint sweat and tonify the Liver, which make it the best choice for who is extremely weak in Liver and the original qi is going to collapse ”

Formula in prescription

- Wen Shi Ben Tun Tang :

Fu Zi 30 ~ 200g Rou Gui 10g Hong Shen 10 ~ 30g
Chen Xiang 3 ~ 10g Sha Ren 3 ~ 10g
San Yao 30 ~ 60g Fu Ling 30g Ze Xie 30g
Huai Niu Xi 10g Zhi Gan Cao 60g

- Action : Warm up and nourish life gate fire, save original Yang from declining, prevent original qi collapse. Tonify fire to engender earth. Drain dampness to enliven spleen. Tonify earth, control water to reduce edema. Promote qi to calm panting. Nourish thoroughfare vessel. Bring fire back to origin. Subdue running piglet qi. Reduce coldness accumulated in five organs and six bowels. Get rid of cold impediment in bone and vessels. Dissapite cold, move qi to stop the pain.

Case: Pancreatic Cancer

- Gender : Female
- Age : 50+
- Symptoms :

Surgery wound heal slow

Dark yellow complexion

Tongue: light purple

Lost of Appetite

Shivering, cold limbs

Pulse: Thin and weak

Case: Pancreatic Cancer

Sheng Fu Zi 30g Gan Jiang 30g Bai Zhu 90g
Ginseng 30g (separate) Chao Mai Ya 30g Zhi Gan Cao
60g You Gui 10g (decoct later) Sha Ren 30g (stir-fry
with ginger juice) Sheng Ban Xia 45g Fu Ling 45g
Sheng Jiang 45g

- Added in second visit :

Pu Gong Ying 120g Zao Ci 10g Bai Zhi 10g (decoct
later)

Pao Jia Zhu 10g Sheng Huang Qi 90g

Formula in prescription

- Tou Nong San (《 Wai Ke Zheng Zong 》) :

Huang Qi 12g Dang Gui 6g Pao Chuan San Jia 3g
Zao Jiao Ci 4.5g Chuan Xiong 9g

- “Talk about the Huang Qi in this formula. Raw Huang Qi can tonify qi, expel toxin and pus. Zhi Huang Qi just tonify qi, but not able to expel toxin. In contrast, it will promote fire toxin. So it has to be raw Huang Qi in this formula. Using Raw Huang Qi as sovereign ingredient, assisted with Dang Gui, Chuan Xiong to tonify and activate blood. Chuan San Jia plus Zao Jiao Ci to resolve and soften the mass. Huang Jiu unblock the vessel and resolve stasis. All ingredients works together to expel toxin and pus.”

Case: Ovarian Cancer w/ Liver Metastasis after surgery

- Gender : Female
- Age : 50+
- Symptoms :

Migraine

Eyes inner contracting

Dark yellow on face

Bulging pain on the
